

PLANT Municipal Advisory Committee  
Minutes April 29, 2004

The meeting was called to order at 7:16 p.m. and Minister Sallie Harris led us in prayer. A motion to approve the agenda was made by Dan Baltzegar and seconded by Mrs. Little.

All agreed. The minutes from our last meeting was read by Mr. Adams. Motion to approve the minutes was made by Gus DelaHoz and seconded by Minister Harris. All agreed. Mr. Adams made a report on the base land and if base land becomes public, no one gets that land. Mrs. Sorenson wants to do a survey of the area on releasing the land on US 1. There is no date yet on a meeting with Mr. Adams. He wants to see if the commissioners would send out survey comments. Mr. Edwards wanted to know why Mrs. Sorenson has helped others but has not yet helped our group. Mr. Baltzegar stated she needs to get involved. Mr. DelaHoz is working on a mini budget and hopes to present it at our June meeting. Mr. Ford informed us that a 1 year extension on our Board position was granted. The mediators will meet with all of us (individually) to try and get information they need to come to a solution or a direction for a solution.

Mr. Ford passed out a new UMSA Revenues and Expenses, the Cutler Ridge Area Revenues, Baseline staffing (Police), Building Department, and North Central Dade Fiscal Year 2004 (last 2 rows important). Residents ask several questions like

1. Why grants included?
2. Communities get consultants to locate funds.
3. Are there any funds to get consultants?

Mr. Adams and Mr. DelaHoz will work together on a total budget for our area and hopefully present it on June 24th. Mr. Edwards made a motion to meet on June 24th and Mrs. Little seconded.

All agreed. Mr. Adams will contact Mr. Moss to have an additional member to the board. Update on that at next meeting. The meeting adjourned before 9 p.m. and next meeting will be on June 24th at the same time and place.

Sincerely,

Barbara Dodson
